Kindermusik Curricula: Classes include audio CD's of class music, a specially designed child's instrument, literature books, a home activity book, and a carry bag. This \$60 packet is a part of your tuition cost and is required for every family. Sibling kits are available if your family is repeating this curriculum and you would like a sibling kit of instruments at a \$25 reduction in cost. If re-using curriculum, CD's and books from an older child, a discount of \$60 applies.

Siblings also enrolled: A sibling packet credit of \$25 plus a \$30 reduction for one child's tuition is applicable if you have two children enrolled in the same program. This does not apply to **Family Time** as class cost includes more than one child.

Younger Children: Siblings less than 12 months of age (born after 2/1/2009) are welcome to join an *Our Time* class for no additional charge. Younger siblings are welcome to join class for the final ten minutes of an *Imagine That* class, with the accompanying adult.

Missed classes: There are no refunds for missed classes. You are welcome to come to another class of your child's age group, or the next older age group, at any time during the semester to make up a class.

Class size: Kindermusik class sizes are limited at all levels. There is a maximum of 8 children in an *Imagine That!* class, and a maximum of 12 in our other classes. **See how small classes make a difference in your child's participation in the group class!**

Family Time Vs. Our Time: *Family Time* is a new class offered in our studio. Class activities are focused on children of all ages. For this reason, we recommend that the youngest children, under 2 years, may not be comfortable in a class with children of 4 to 6 years. We suggest you consider an *Our Time* class if you have a young toddler (18 to 30 months), and an infant under 12 months.

Payment Schedule, Refund Policy: Included in your total class fee, due at registration, is the tuition, curricula cost and \$10 registration fee. If you find the class is not what you expected, a portion of **tuition** may be refunded at the discretion of the director. Curricula costs and the \$10 registration fee are not refundable.
