Kindermusik Curricula: Classes include audio CD's of class music, a specially designed child's instrument, literature books, a home activity book, and a carry bag. This \$60 packet is a part of your tuition cost and is required for every family. Sibling kits (without CDs) are available for \$30, if your family is repeating this curriculum. If re-using your complete curriculum set, previously purchased for an older child, a discount of \$60 applies.

Siblings also enrolled: A sibling packet credit of \$25 plus a \$25 reduction for one child's tuition is applicable if you have two children enrolled in the same program. This does not apply to **Family Time** as class cost includes more than one child.

Younger Children: Siblings less than 12 months of age (born after 2/1/2011) are welcome to join an **Our Time** class for no additional charge. Younger siblings are welcome to join class for the final ten minutes of an **Imagine That** class, with the accompanying adult.

Missed classes: There are no refunds for missed classes. You are welcome to come to another class of your child's age group, or the next older age group, at any time during the semester to make up a class.

Class size: Kindermusik class sizes are limited at all levels. There is a maximum of 8 children in an **Imagine That!** class, and a maximum of 12 in our other classes. **See how small classes make a difference in your child's participation in the group class!**

Our Evening classes: **Family Time** is a new class offered in our studio. Class activities are focused on children of all ages from infants through 6 year olds. This class is offered in the evening since having one parent per child is recommended.

Payment Schedule, Refund Policy: Included in your total class fee, due at registration, is the tuition + curricula cost and \$10 registration fee. If you find the class is not what you expected, a portion of tuition may be refunded at the discretion of the director. We encourage you to attend class for a minimum of four weeks before considering withdrawing. Many young children require time to become familiar with the music at home and settle in to the class routine. The \$10 registration fee is not refundable.
